Bubbles at Brennan's

*Special Champagne and Sparkling Wines add a Blissful Surprise for Happy Hour
ALL DAY, EVERDAY*

There is only one pink (or should we say rosé) building in the French Quarter – **Brennan's**. The celebratory establishment is *popping off* the “**Bubbles at Brennan's**” happy hour by pouring delicious select bubbles from both top Champagne vintners and premiere sparkling wine houses at the fizziest hours of the day - all day every day!

The celebratory social libation is served both on its own in its perfect form and in festive and effervescent cocktails to enjoy at Royal Street's foremost place to see and be seen. Partake in a toast (or two) in the stylish Roost Bar, during sunset in the foliage filled courtyard, or at a leisurely lunch on Fridays in the decorative dining room. Expertly chosen selections allow guests to tantalize their taste buds while exploring savory surprises such as ***Shrimp Louie with Preserved Green Tomato, Tabasco and Truffle Vinaigrette*** - and ***Crispy LA Duck Wings with Crystal Hot Sauce***.

Thursdays offer added bliss as “Bubbles at Brennan's” begins at 2 pm followed by the ceremonial occasion of **Champagne sabering** at 5 o'clock, calling a festive start to the weekend.
