

When the Moon Hits Your Eye

Full Moon Inspires Specialty Pizzas and Cocktails for One Night Only, Each Month

When the radiant glow of the full moon lights up even the darkest of night skies in downtown **Charlottesville, Virginia** - as she finishes her dance around the Earth in full - **Red Pump Kitchen** is honoring the luminous occasion, each month, going forward, with the most fitting, full moon-inspired selections, beginning **Friday, November 23, 2018**.

In a gastronomic nod to Dean Martin's famed song lyrics, diners can savor a seasonally-inspired pizza pie, only available on that one special night each month. For the November kickoff, all evening, the lunar gourmet tribute is a **Pizzette** featuring **Pork Sausage, Raisins, and Cured Cherries** [\$15] that can be enjoyed by one or two!

Guests will be "singing" the evening's praises, "tuning into" its monthly occurring, one-night-only cocktail, **It's a Marvelous Night for a Moondance** [\$10]. The mystifying and masterful concoction captures the essence of the moon with infused ice cubes of *Activated Charcoal* that slowly melt into the libation of *Cathead Vodka, Lemon, Luxardo Maraschino, and Rothman Crème de Violette*. The softness of the potato's black-grey hue depicts the mood of the surrounding sky. Indeed, at a moment when nature's most essential beauty is a glow, there's nothing more magical than a dinner and a "moondance" - after all, in the words of Dean Martin, "that's amore!"
